Condé Nast Traveller readers choose Bahía del Duque as one of Europe's best

The Tais Hotels & Villas property is the only hotel in Tenerife recognised in the prestigious awards from the leading travel and lifestyle publication

Tuesday, 1st October 2024 – Bahía del Duque has been named one of the best resorts in Europe in the 2024 Condé Nast Traveller Readers' Choice Awards, thanks to votes from the readers of this renowned international publication. The Tais Hotels & Villas property adds this new accolade to its growing list of recognitions, further solidifying its reputation as a world-class destination for excellence and quality.

Each year, this celebrated travel and lifestyle magazine invites its readers to vote for the top hotels and resorts globally. Bahía del Duque stands as the only hotel in Tenerife to be included in this year's selection and is one of only three resorts in Spain to make the exclusive 'best of the best' list.

Condé Nast Traveller's awards highlight the most outstanding hotels, resorts, destinations, transport services, and travel products, organising them by region (Europe, Rest of Europe, Africa, Thailand, the USA, and Canada). Bahía del Duque, located in Costa Adeje, has been ranked 21st in an exclusive selection of 25 top resorts in Europe.

The significance of this award lies in the fact that it is the readers themselves who vote via the publication's website, adding extra value to the prestigious reputation of the editorial. A total of 126,790 Condé Nast Traveller readers took part in this year's vote.

In the words of the hotel's General Manager, Cristina de Juan, "This recognition is particularly meaningful to us as it comes from the readers and travellers of an international publication as respected as Condé Nast Traveller. We would like to express our deepest gratitude to each and every one of them for their trust and support."

"This achievement would not have been possible without the hard work and dedication of our entire team and collaborators, who tirelessly strive to offer an unforgettable experience to our guests. This award motivates us to continue consolidating Bahía del Duque as a global benchmark for excellence and quality," De Juan adds.

This latest honour joins a long list of awards earned by Bahía del Duque and its Bahía Wellness Retreat, including: the 'Condé Nast Johansens Awards for Excellence 2024' for Best Service, the 'Condé Nast Johansens Awards for Excellence 2023' for Best Destination Spa, 2023 and the Holidays Customer Excellence Award 2023 by British Airways, as well as the prize for 'Most Sustainable Tourist Company', at the '2024 Mencey Futurist of Honour' Awards'.
